

Success of the Program

We have been facing different crisis to continue the program finance, infrastructure

and materials support etc. All though some remarkable achievement and shown in the following:

There are near 2,450 students successfully completed their education last 29 years. The following are the names of some of the people who were involved in various activities

in the service of the country.

- 1.Halel Uddin-Appointed as an ICT teacher.
- 2.Md Wahad Miah-Working in the Bangladesh Army as a member of the Army.
- 3.Must Jahanara Akther-She is working as a nurse in a medical service center.
- 4.Md Juel Ahmed-Has done Masters with Honors. He is working in non-government organizations. Besides, many more are working in various government and non-government organizations after getting higher education.

ENRICH Programme

There are multidimensional problems exist in people's life. It is necessary to set up holistic development strategy in order to create sustainable poverty reduction process as well as overall improvement of the people. So that people can live with dignity in

the society. ENRICH is a holistic development program initiated by PKSF.ENDEAVOUR, as a partner of PKSF, has started ENRICH program through the support of PKSF from September 2014 at Kargaon Union in Nabiganj Upazila under Habiganj district to increase capacity and resources of the people in order to reduce poverty.
